

MICROCREDENTIALS

OUR STATEMENT OF COMMITMENT

We take our learning seriously...and so should you!
This is why we are committed to delivering quality content so you can earn a microcredential that meets best practice standards.

01

OUTCOME BASED

LEARNING OUTCOMES HELP LEARNERS AND EMPLOYERS UNDERSTAND THE CONTENT

We clearly state our program learning outcomes and what is expected to successfully complete these outcomes with an assessment.

02

DRIVEN BY INDUSTRY NEED

ALIGNMENT AND RELEVANCE

Our content is carefully designed to address specific skills that known capability gaps in the market. Our set of learning principles ensure that our delivery and content are learner-centric and brain-friendly.

03

SUPPORT LIFELONG LEARNING

LEARN IN YOUR OWN TIME, FROM ANYWHERE

We support lifelong learning with options ranging from short programs to more lengthy ones, to address varied learning needs and preferences.

04

TRANSPARENT AND ACCESSIBLE

INFORMATION FOR THE EARNER AND MARKET

All our microcredentials provide information to the earner and the broader market about the learning outcomes, mode of delivery, expected effort, content and nature of the assessment required for successful completion.
